I was having this discussion

A | D | G A |
In a taxi heading downtown

D | G
Rearranging my position

A
On this friend of mine who had

| D |
A little bit of a breakdown

G A | D
I said breakdowns come

| G A
And breakdowns go

| D
So what are you going to do about it

| G A |
That's what I'd like to know

D G
You don't feel you could love me

A | D | G A |
But I feel you could

D | G
It was in the early morning hours

A | D | G A |
When I fell into a phone call

D | G
Believing I had supernatural powers

A | D |
I slammed into a brick wall

G A | D |
I said hey, is this my problem?

G A
Is this my fault?

| D
If that's the way it's going to be

| G A |
I'm going to call the whole thing to a halt

D G
You don't feel you could love me

A |D |G A|
But I feel you could

D G
You don't feel you could love me

A |D |G A|
But I feel you could

D |G
I was walking down the street

A |D |G A|
When I thought I heard this voice say

D |G A
Say, ain't we walking down the same street together

|D |
On the very same day

G A |D |G
I said hey Señorita that's astute

A |D
I said why don't we get together

|G A |
And call ourselves an institute

D G
You don't feel you could love me

A |D |G A|
But I feel you could

D G
You don't feel you could love me

A |D |G A|
But I feel you could
