

I Am A Rock Chords by Simon & Garfunkel

E **A** **E**
A winter's day, in a deep and dark december;
F#m B7 A E F#m G#m F#m G#m
I am alone, gazing from my window to the streets below
F#m A B
On a freshly fallen silent shroud of snow.
A E A B7 E
I Am A Rock, I am an island.

E A E
I've built walls, a fortress steep and mighty,
F#m B7 A E F#m G#m
That none may penetrate. I have no need of friendship;
F#m G#m F#m A B
Friendship causes pain. It's laughter and it's loving I disdain.
A E A B7 E
I Am A Rock, I am an island.

E A E
Don't talk of love, but I've heard the words before;
F#m B7 A E F#m G#m F#m
It's sleeping in my memory. I won't disturb the slumber of feelings
G#m F#m A B
That have died. If I never loved I never would have cried.
A E A B7 E
I Am A Rock, I am an island.

E A E
I have my books, and my poetry to protect me;
F#m B7 A E F#m G#m F#m G#m
I am shielded in my armor, hiding in my room, save within my womb.
F#m A B
I touched no one and no one touches me.
A E A B7 E
I Am A Rock, I am an island.

F#m B7 E
And a rock feels no pain;
F#m B7 E
And an island never cries!
