[Verse 1]

Bb  
The first thing I remember, I was lyin' in my bed  
F  
I couldn't have been no more than one or two  
Bb  
And I remember there's a radio, comin' from the room next door  
F  
And my mother laughed the way some ladies do  
C7 F  
When it's late in the evening, and all the music's seeping through

[Verse 2]

Bb  
The next thing I remember, I am walkin' down the street  
F  
Feelin' all right, I'm with my boys, I'm with my troops, yeah  
Bb  
And down along the avenue some guys were shooting pool  
F  
And I heard the sound of a cappella groups, yeah  
C7 F  
Singin' late in the evening, and all the girls out on the stoops, yeah

[Verse 3]

Bb  
Then I learned to play some lead guitar, I was underage in this funky bar  
F  
I stepped outside to smoke myself a 'J'  
Bb  
When I come back to the room, everybody just seemed to move  
F  
And I turned my amp up loud and I began to play  
C7 F  
And it was late in the evening, and I blew that room away

[Verse 4]

Bb  
The first thing I remember, when you came into my life  
F  
I said I'm gonna get that girl, no matter what I do  
Bb  
Well, I guess I'd been in love before and once or twice I been on the floor  
F  
But I never loved no one the way that I loved you  
C7 F  
It was late in the evening and all the music seeping through
