

Stranded In A Limousine Chords by Paul Simon

[Verse 1]

He was a mean individual **E7**
He had a heart like a bone **E7**
He was a naturally crazy man and better off left alone **A7** **E7**
Well, he stopped one night at a traffic light **E7** **E7**
And when that light turned green **A7** **Bbdim**
He was a mean individual **E/B** **C#m7**
Stranded in a limousine **F#m7** **B7** **E7**

[Verse 2]

Hey, hey, hey, hey **E7**
All the children on the street **E7**
They come running out of their front doors **A7**
Running out their back doors, flying on their feet **E7**
They said Mama oh, Papa oh **E7** **E7**
See what I have seen **A7** **Bbdim**
There's a mean individual **E/B** **C#m7**
Stranded in a limousine **F#m7** **B7** **E7**

[Chorus]

Then everybody came running **A7**
Everybody said Lord, Lord **E7**
Everybody was gunning **Gdim**
they're gonna divvy up the reward **G7/F#**
A-then wah wah wah wah wah wah **B7** **E7** **E7**
There's a siren, a flashing light **A7** **Bbdim**
But the mean individual **E/B** **C#m7**
Had vanished in the black of night **F#m7** **B7** **E**

[Verse 3]

Hey, hey, hey, hey **E7**
They wondered where to begin **E7**

A7
'Cause he left that neighborhood
 E7
Just like a rattlesnake sheds its skin
 E7
Well they searched the roofs
 E7
and they checked out the groups
 A7 **Bbdim**
And then photographed the scene
 E/B **C#m7**
Of the mean individual
F#m7 **B7** **E7**
Stranded in a limousine

[Instrumental]

E7
A7 **E7**
A7 **Bbdim** **E/B** **C#m7** **F#m7** **B7** **E7**
